

REMARKS

This is in supplemental response to the non-final Official Action currently outstanding with regard to the above-identified application.

More particularly, this is to correct a typographical error at line 19 of Amended Claim 18 as it was presented in Applicants' response to the currently outstanding Official Action in the above-identified application whereat the term "organic" was intended by Applicants to read -- inorganic --. This is accomplished by the foregoing Amendment wherein the claims as amended in Applicants' response of 18 September 2008 to the currently outstanding Official Action are amended so as to make the foregoing correction.

In addition, it has come to Applicants' attention that the Appendix I referred to at Page 21 of Applicants response of 18 September 2008 to the currently outstanding Official Action may have been inadvertently not filed with that response. To correct that potential error, Applicants are submitting herewith the Appendix I that was intended to be filed with their Amendment of 18 September 2008.

Applicants regret any inconvenience that may be caused to the Office or to the Examiner as a result of this Supplemental Amendment correcting the foregoing inadvertent errors in Applicants' response of 18 September 2008.

Applicants also believe that additional fees beyond those submitted herewith are not required in connection with this communication. However, if for any reason a fee is required, a fee paid is inadequate or credit is owed for any excess fee paid, you are hereby authorized and requested to charge and/or credit Deposit Account No. **04-1105**, as necessary, for the correct payment of all fees which may be due in connection with the filing and consideration of this communication.

Respectfully submitted,

Date: September 29, 2008
